Report for the Arts New West AGM
~ November 2024 ~

Artists in the Boro was formed 14 yrs ago for those creating original work in visual media, including painting, drawing, photography, textiles, jewelry and more. Monthly meetings are held on the 3rd Tuesday at 7 PM from January to November at Queensborough Community Centre (920 Ewen Avenue). **For more info**, please contact the AB Chair at: karenjustice@shaw.ca

Exhibitions, Events & Activities: 2024 began with **Local Motion**, an exhibition in QCC's gallery space featuring work by 8 guest artists from New Westminster Photography Club, followed by the AB group's **Keeping Time**.

May through July, we went "themeless" with **Anything Goes**, and pictures by 3 to 5 yr-olds from a local daycare brightened the QCC walls throughout August and September. Come and see the current show, **The Colour Purple**, which runs until early January 2025.

We again ran art activities at the **Queensborough Children's Festival** in June. Our **hands-on workshops** this year included in-house explorations of charcoal and paper mache, plus the hosting of a gel plate monoprinting event for some of the residents from the Elizabeth Fry Society's Mazarine Lodge.

Artists in the Boro endeavours—through meetings, workshops, the hosting of art-related public events, and other forums—to share, promote and celebrate the talents of people working in any visual art medium. We encourage creativity and community engagement.

New members at all levels of experience and from anywhere in the Lower Mainland are always welcome!
